

## Perfection to the Full!

The world's most Innovative Digger Manufacture JCB has joined forces with a really creative supplier - Kidsaw. They now create a stunning range of furniture!!

The JCB themed furniture is guaranteed to make your child smile! They'll love driving their very own tractor, and will be the envy of their friends. The pieces slot together just like a jigsaw with no screws, glue or fixings and can be fully assembled very easily in a short time.
